

SEEKING REIMBURSEMENT FROM INSURANCE, HSA, AND/OR FSA

You may be eligible for reimbursement from your commercial health insurance, health savings account (HSA), and/or flexible spending account (FSA) for the cost of service(s) provided by FITREHAB. However, **this does not include Medicare beneficiaries**. If you would like to use your Medicare benefits, please read the “Notice for Medicare Beneficiaries” attached below.

EXPECTATIONS AND PROCESS FOR SEEKING REIMBURSEMENT

You do not have to submit a request for reimbursement to your insurance, HSA, or, FSA if you do not want to be reimbursed.

If you do wish to request reimbursement, you must submit the request(s) to your insurance provider, HSA, or FSA. I will provide you with the necessary documentation to submit and will be happy to assist with the process as best as I can.

You pay FITREHAB for the cost of service(s) before requesting reimbursement(s).

FITREHAB does not guarantee that your insurance, HSA, or FSA will reimburse you for the cost of service(s). FITREHAB also does not guarantee the amount of reimbursement.

If you intend to seek reimbursement, you should contact a representative for your health insurance, HSA, or FSA to inquire about the process for doing so *before* proceeding with the service(s).

FITREHAB will not reimburse you. Your insurance company, HSA, or FSA will decide whether or not to reimburse you, per their policies and procedures. If your insurance, HSA, and/or FSA denies your request(s) for reimbursement, you cannot request FITREHAB to reimburse you as an effort to recover your expense(s).

If you have any questions, I will be happy to answer them during our consultation. Or, feel free to email me at brian@fitrehabonline.com.

NOTICE FOR MEDICARE BENEFICIARIES

Dear Medicare Beneficiary,

Medicare is very precise on services that they will cover. In full transparency to you, I would like to inform you that there is a high likelihood that the service(s) you receive from FITREHAB are NOT covered by Medicare.

Thus, if you would like to utilize your Medicare benefits to cover your expenses, I recommend you seek a different provider for your needs. I will be happy to guide you further in this regard, if you so wish.

If you would like to proceed with FITREHAB and claim full responsibility for cost of service(s), law requires you sign the Advanced Beneficiary Notice of Non-coverage (ABN) before purchasing services from FITREHAB. The ABN aims to ensure clarity regarding the costs for services and reason(s) I anticipate Medicare will not cover such services.

The ABN will be available to complete electronically through the HIPAA-compliant intake packet if you choose to proceed.

If you have any questions, I can clarify this policy further during the free consultation call. You can also email your questions to me at brian@fitrehabonline.com.

Thank You,

Brian Ivy, MOT, OTR/L, CHT, CPT, EIM
Owner of FITREHAB
